DETAILED ACTION

This office action is in response to the amendment and remarks filed 10/02/2007.

Allowable Subject Matter

1. Claims 2-20 are allowed. The arguments (*on the last paragraph of page 7 and first paragraph of page 8*) presented in the applicant's response of 10/2/07 are found persuasive because the prior art of record neither discloses nor makes obvious the combination set forth in the independent claims, and especially does not show "gasifying the asphaltene stream to form a gas stream, cleaning the gas stream" in combination with the other claims limitations. Thus, claims 1, 4 and its dependent claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
